A Meeting of Great Minds:
Most Common Hometowns by Metro Area

Our program is a gathering place for talented students from around the country to share a wide array of interests and experiences before setting out to compete and thrive on an international stage.

Program Stats:
15 - 25 students per cohort (≈ 60-70 students enrolled each year)

10 - 25% with prior Chinese study (after a placement interview, some start over, while others skip multiple terms or even go abroad with our students in the summer before freshman year)

31 average ACT score (students are accepted holistically, with no minimum score)

$32k x 3 4-year scholarships for incoming freshmen. All students are considered based on the merits of their applications, but priority is given to students who have spent considerable time abroad or completed a long-term domestic immersion program. This is in addition to Flagship summer and study abroad scholarships. More info here.

ILR 3 exit proficiency scores. An Interagency Language Roundtable (ILR) Score of 3, which is very typical of our grads, corresponds directly to eligibility for many federal jobs and corresponding "bonus language pay." Such a score far surpasses the expectations of most hiring managers in both the public and private sectors.
